Summary

Aspiring Full Stack Developer with a strong foundation in HTML, CSS, JavaScript, Node.js, Express.js, and MongoDB. Experienced in building responsive web applications through academic projects and internship experience. Passionate about solving real-world problems, writing clean and maintainable code, and continuously learning modern web technologies.

Technical Skills

Languages: HTML5, CSS3, JavaScript, Python

Backend: Node.js, Express.js

Database: MongoDB

Tools: GitHub, VS Code, Microsoft Excel (Basic)

Core Concepts: Responsive Web Design, Version Control, Debugging, Problem Solving

Experience

Web Developer Intern

May 2026 – Jun 2026

CodSoft (Remote)

- Developed an interactive Q&A web application using HTML5, CSS3, and JavaScript, implementing dynamic DOM manipulation and client-side form validation.
- Designed and developed a responsive Pepsi-themed landing page using HTML5, CSS3, and JavaScript with interactive product components and mobile-first design principles.
- Used Git and GitHub for version control, managing source code, tracking project changes, and maintaining project repositories.
- Completed web development tasks by following clean coding practices, debugging techniques, and responsive web design principles.

Projects

Personal Portfolio Website

- Designed and developed a responsive portfolio website showcasing projects, certifications, and technical skills.
- Implemented responsive layouts and modern UI using HTML, CSS, and JavaScript.

Interactive Q&A Web Application

- Developed a dynamic web application using JavaScript with interactive content updates and client-side functionality.

Pepsi Landing Page

- Built a responsive landing page with an interactive Add to Cart interface using HTML, CSS, and JavaScript.

Education

Bachelor of Science in Computer Science (Third-year)

Mumbai University

Nirmala Memorial Foundation College

Expected Graduation: 2027

Certifications

- What Is Generative AI – LinkedIn Learning
- Python for Data Science – Reliance Foundation
- Career Edge – Young Professional

Achievements

- Successfully completed a 1-month Web Developer Internship at CodSoft.
- Developed multiple responsive web applications using HTML, CSS, JavaScript, Node.js, and MongoDB.
- Built and maintained a professional developer portfolio showcasing full-stack projects.
